Request for Personhood Pledge

Dear [Title] [Last Name],

Personhood South Carolina is devoted to restoring the right to life for all preborn South Carolinians, beginning at conception, without exception. This is the essence of the pro-life movement.

The current legislative cycle's personhood effort has companion bills (S485 and H3920). We are reaching out to candidates for senate seats and asking for their support. We would be very grateful if you would answer the following question as soon as possible: *Will you pledge to defend all preborn lives, without exception, by granting your full support to personhood legislation if you are elected to represent South Carolina's [Branch] district [#]?*

If so, please sign and date the statement below. Full support includes co-sponsoring personhood legislation, voting in favor of personhood at every opportunity (including procedural votes such as recall motions, special order motions, tabling motions, cloture votes, and also committee votes), and using all positional powers to move personhood forward without delay.

We thank you for your time considering personhood. We believe this work should be our state's highest legislative priority. We hope you agree and look forward to hearing from you.

I pledge to defend all preborn lives, without exception, by granting my full support to personhood legislation if I am elected to the South Carolina [Branch].
